February 2007

Dear Friends,

Thank you for your interest in our school. Our charming one acre facility includes play space with grass, shade trees and large playground equipment enveloped by a spacious sandbox. Our beautiful classrooms are well-equipped with Montessori materials for children through Kindergarten.

Hello, my name is Algene Herrick. I am the Founder of The Montessori Day School.

I attended Westminster Choir College in Princeton, New Jersey where I received a Bachelor of Music Education K-12 Degree in 1971. In 1992, I attended The Center for Montessori Education in New Rochelle, New York where I received my Elementary 6-12 Montessori Teacher Training and Certification from the American Montessori Society.

I am also a NM State certified teacher for grades K-8. All in all, I have had 36 wonderful years of teaching in public and private schools.

Our school celebrates over 100 years of teaching experience, with its professionally trained staff. The staff is composed of caring Montessori teachers dedicated to the education of young children. Our school follows the "Authentic Montessori Philosophy of Education." This method is child centered and is an individual way of assisting children to develop their individual abilities and potentials. The "Montessori Method" was possibly the first founded on the concept of educating the "whole child." The "hands-on" method provides social, emotional, physical as well as cognitive development. Montessori children are often described as self-directed, courteous and joyful with a love for learning.

We invite you to call the office and set up a personal tour of our beautiful school.

Sincerely,

Algene Herrick, Founder

## INTRODUCTION

*Tuition payments are an investment in your child's education.*

### Tuition Payment

Families choose tuition payments from the following payment plans. Each family's preferred manner of payment must be submitted each year at the time of student registration. Options for payment include:

- A. **Tuition Discount Options:**  
Parents who qualify for the "Early Bird., Multiple Sibling or Legacy Discount" options receive a 5% discount.
  
- B. **Single Payment:**  
School families who choose the single payment plan will have tuition due in full by May 1, 2007. If the family does not pay in full by May 1, 2007, the family will be contacted within five (5) calendar days and all tuition payments shall automatically be placed on the Monthly Payment Plan and a processing fee of 5% will be added to the tuition.
  
- C. **Monthly Payment Plan Option:**  
Under this plan the semester's tuition is budgeted over a ten (10) month period beginning in August. This payment plan requires monthly payment by check, money order or cashiers check (NO CASH PAYMENTS) payable on the first school day of the month. Additional fees will be assessed for NSF checks.

## REGISTRATION

- A. **Registration begins March 1, 2007.**
  
- B. Tuition for students registering on or after the first day of school shall be prorated by the month.

## LATE PAYMENTS

It is the responsibility of each school family to keep the office informed of their need to make any changes in their tuition payment plan or adjustments in the amount of tuition expected to be paid. Without such information, a late fee of 18% APR is assessed on all school bills unpaid after this time. This fee is assessed cumulatively every month that there is an unpaid balance due. After 30 days of non-payment, The Montessori Day School reserves the right to dismiss the child from the school.. Further action may include informing the credit bureau and legal action taken by the school.

# The Montessori Day School Financial Agreement Form

2007-2008 School Year  
August 30, 2007 – May 23, 2008

1. Parents, caretakers and or signatories herein call guardians are responsible for the payment of the tuition and agree to be responsible for prompt payment of all charges concerning the child's enrollment at The Montessori Day School.
2. The guardian understands and agrees that the child is enrolled for the academic year, and that the guardian is liable for the entire school year's tuition and fees. The fact that The Montessori Day School allows monthly installments does not create a fractional contract or in anyway relieve the guardian of the responsibility for the entire school year's tuition and fees. No portion of the fees paid or outstanding will be refunded or cancelled in the event of absence, withdrawal, or dismissal from the school. The guardian further agrees that the total amount due and payable to the school shall be considered as agreed upon liquidated damages between the parties to the agreement should guardian breach this agreement.
3. Single tuition is due May 1, 2007. Other non-tuition charges are due within ten days of receipt of bill. A late fee of 18% APR is assessed on all school bills unpaid after this time. This fee is assessed cumulatively every month that there is an unpaid balance due. After 30 days of non-payment, The Montessori Day School reserves the right to dismiss the child from the school and records will be held until payment is received in full. Further action may include informing the credit bureau and legal action taken by the school.
4. Payment obligation is based on the program hours you agree to attend, not on actual attendance. There is no reduction in tuition due to absences, vacations, or snow days during the school year. There are no make-up days for absences due to illness, vacations, or snow days.
5. Tuition covers days that the Montessori programs are in operation. Break days (refer to current school calendar) are billed as additional childcare. Please refer to the school calendar for those dates that the school is closed with childcare available at an additional charge. Further note the dates that the school is closed and childcare is not available. Additional charges are made for field trips, and classroom material where applicable.
6. The late fee for childcare after 6:00 p.m. is \$5.00 per every five (5) minutes. Late fees will be added to the monthly statement.
7. Application and registration fees are required to guarantee enrollment. These payments are NON-REFUNDABLE.
8. Guardians assume responsibility for all collection fees (e.g. administrative, attorney, court, etc.) that might result from collection action by the school against the undersigned (\*\*) for unpaid bills.
9. If either of the responsible parties (\*\*) fails to fulfill their financial agreement, the other will assume full financial responsibility for all remaining school fees.
10. The Montessori Day School reserves the right to charge interest of 18% APR on all past due amounts.
11. In the event it becomes necessary for The Montessori Day School to retain counsel to collect any amount due by the guardian/s hereunder, the guardian/s shall pay all attorney fees and court costs incurred by The Montessori Day School whether suit is filed or not.
